A Pooled Mortgage Trust Investment by Australian Secure Capital Fund Limited ACN 613 497 635 - AFSL 491 201

An investment in ASCF Select Income Fund (ARSN 616 367 410), ASCF High Yield Fund (ARSN 616 367 330) and/or

ASCF Premium Capital Fund (ARSN 637 973 409) is subject to risks, which may result in a loss of some or all of your principal investment.

The performance of the Funds, repayment of capital or of any particular rate of return is not guaranteed. Past performance is not a reliable indicator of future performance.

Before making an investment decision, you should read the Product Disclosure Statement (PDS) and Target Market Determination (TMD) and consider whether an investment in the Funds is appropriate for you.

Some of the above loans have been jointly funded by ASCF and external investors.

*An Impaired Loan occurs when part or all of the principal and/or interest (and any additional legal and/or other fees related to the sale of the security property) are not able to be recovered in full from the borrower. ASCF may impair a loan while continuing to use other collection methods, even if the security has been sold, in order to recover the balance from the borrower.

The impairment of a loan in an ASCF Fund does not necessarily affect the unit price of that Fund, and to date the unit price in all ASCF Funds has not been affected by the impairment of any loan. However there is no guarantee that the unit price in an ASCF Fund will not be impacted by any future loan impairments. Please read the ASCF Product Disclosure Statement for more information about the unit price.
